Do this in memory of me.

Chapter 3 Theme: The Bible, or Sacred Scripture, is God's Word. God's Word is proclaimed during the Liturgy of the Word.

I listened to Bible stories this week. Listening attentively and reading the Bible is part of living and celebrating our faith.

I can retell the story of Samuel listening and responding to God calling him to a life of service to the people of God.

God is present to us, speaking to us through the Bible. The two main parts of the Bible are the Old Testament and the New Testament. During the Liturgy of the Word we listen and respond to readings from Sacred Scripture. (Usually I am in class during this time)

I read page 64 and 65 and practiced responses during the Liturgy of the Word.
